INTRODUCTION

In 1990 this organization came into being with couple of branches in different cities of Pakistan. They are providing Dars-e-Nizami Degree Jamia'a-Tul-Mohsanat Sanad which is equivalent to degree of Masters.

Now 19 Jamiaat are established under the umbrella of this organization all over the country with more than 3000 students and around 250 teachers. The establishment of Dars-e-Nizami Degree Jamia'a-Tul- Mohsanat plays the role of a beacon of hope that illuminates the mind and eradicates the darkness of ignorance and lights up the whole sky. It provides female students peaceful and friendly environment under the supervision of educated and efficient teachers. They train and teach their students not only for their academic career but they also teach them to become better and responsible women in practical life.

OUR MISSION

“To groom practicing Muslim girl students equipped with modern education who present themselves as role model women for the betterment of society.”
